

Deliverance from the bondage of fear:

2nd Timothy 1:7 ...

For God has not given me a spirit of fear but that of love, power and a sound mind!

Introduction:

Fear is a monster, but it is never to be feared by a believer in Jesus Christ. Christ is in every believer. He is the champion of all who believe. None is greater than our Lord Jesus Christ. Now regardless of feeling begin to consider it so. You are a child of God. You are a new creature. Start acting like a member of the heavenly kingdom. The new birth is one of the most powerful weapons we have. In the new birth, we receive the life of Christ. We receive His nature. Fear is the evil's nature.

Fear ye not:

The Source of fear:

Overcorrection in childhood

- Ephesians 6:4 ...
 - Abuse by parents brings many adverse reactions in the emotional and mental makeup of a child which will carry over into adult years.
 - Children who have been abused by a parent or teacher by extreme correction delivered in a spirit of anger tend to be fearful and timid.
 - These children may react in different ways;
 - Some withdraw into a shell of insecurity and fear
 - Some enter into rebellion against all forms of authority
 - Some revert to violence
- Be careful of the words that you use with your children
 - Words can bring life or death; learn to choose your words wisely.

Accidents of Various types

- Accidents of various types can cause a person to be dominated by fear when he or she are involved in similar circumstances
 - Car Accidents, Heights, etc.

Abnormal Attitudes among parents

- Parental fighting in front of children creates emotional disturbances which allow or cause them to have insecurity, fear, or mental blocks.
- A parent who is alcoholic creates such instability in a child that, in many cases, this carries over into adult life.

Abnormal Married life

- Fighting and turmoil in a married couple can cause a violent reaction within the emotional life of one or both partners. A strong domineering husband who has little consideration for his partner can cause the wife to react by withdrawing into a dream world or by assuming violent, defensive attitudes. She later may succumb to self pity, suicide etc.
 - Fear of living, fear of men, or fear of every moment of life may begin to take the dominant role of their thinking.
- When one partner learns that the other is running around with another person in an unfaithful manner, fear and insecurity sometimes come to them.
 - This partner has a choice. They can move above it and live victoriously or yield to the fears, self – condemnation, self- pity, or a multitude of similar attitudes.

Business Reverses

- The stock market crash in 1929 is a good example of how people can be moved by fear
 - Business setbacks can bring both fear and desperation

Sin and rebellion against God

- Sometimes things happen in life and people can become angry with God, while this is never a good thing it can cause a person to become fearful later in life
- A person that is involved in crime and violence can become so tormented by their actions that they are tormented with fear, nervousness and sometimes even suicidal tendencies

The attitude of fear can be transmitted to others

- A mother or father full of fear can transmit to the children
- Fear within the executives of a business can be transmitted to the employees to the extent that a business can fail.
- Fear within a nation can be transmitted to such an extent that it invades the entire framework of the society.

The results of fear:

Fear brings sickness

- Proverbs 15:13
- Proverbs 17:22
 - Doctors are finding out that heart attacks, ulcers, etc. are triggered by fear and anxiety more than any other cause.
 - A merry heart is like a medicine. A broken spirit drieth the bone. In the marrow of the bone is where the blood is manufactured. A broken, fearful spirit is probably responsible for more cancer and heart trouble than better known killers.

Fear brings bondage

- Proverbs 29:25
- Job 3:25
 - The fear of man, whether it be your boss, employees, husband, wife, or competition in the business world, will bring nothing but snares.
 - Some folks observe trends in their family line, such as the history of sickness in close relatives, and then draw conclusions that they will get the same infirmities. Fear soon begins to grip them until they are paralyzed, and in many cases begin to develop the same symptoms.
 - If there is any area of your life that has been invaded by fear, even though it be slight now, deal with it or it will soon grow and develop into a monster that will bring sickness, premature death or other problems.
 - The best way to deal with fear is will be by rejoicing in the Lord and confessing aloud several times a day "I Am free. Jesus has set me free. I will not have any bondages"

Fear brings torments

- - Sometimes people will allow the enemy to use fear as they get involved in cultic behavior and then have to continue to use these
 - A person had been to a fortune teller (Séance or witch), and she later kept hearing steps in her house at night. She went to another witch to get the curse removed. As a result of this visit, she picked up more demons. They come and torture her at night. She felt like they were injecting needles into her arms at night. The woman lived in constant hell on earth. After she was delivered in Jesus name she was totally set free.

Fear brings failure

- Judges 7:3
 - Gideon knew the power of fear. He would be better off with a handful without fear than a multitude of cowards. Fear is like a short circuit. It destroys the real power.
 - Fear is a failure sent from hell to destroy you. Do not entertain it or allow it to stay with you. Rejoice your way to victory in the face of ALL PROBLEMS
- Isaiah 37:6-7
- Jeremiah 1:8
- Exodus 14:13
- Psalms 91:5
- Deuteronomy 20:1-3
- 2nd Chronicles 20:15
 -

Fear can bring death

- It is reported by many that most of the snake bite victims die from fear rather than the venom.
- I read about a group of seniors initiating an underclassman. They tied him to the railroad tracks and left him. He could hear the train coming in the distance. He did not know that he was on a siding. When the boys returned to get him, they found that he was dead. Fear had so taken hold of him that it gave him heart failure.
